

WESTERN VASCULAR SOCIETY

24<sup>th</sup> ANNUAL MEETING  
September 19-22, 2009  
Loews Ventana Canyon Resort, Tucson, AZ

### INSTRUCTIONS FOR SUBMISSION

**Abstracts may only be submitted electronically.** We encourage you to submit your own work or to sponsor the work of a colleague. To submit your abstract, visit the Society's web page, <http://wvs.vascularweb.org> and point to **Submit Abstract**.

**DEADLINE:** Wednesday, May 6, 2009 (11:59 p.m. Pacific Time)

Revisions to abstracts already submitted will be accepted through 5:00 p.m. Pacific Time, Thursday, May 7, 2009.

#### HOW TO SUBMIT ABSTRACTS

If you have submitted an abstract to the Western Vascular Society meeting using OASIS, please use the same login information. If this is your first time visiting the Western Vascular Society abstract submission site, please select "**Click here to Create a new user Account**". You will be prompted to enter your contact information, and to select a new login and password for use with the abstract submission system.

- Follow the instructions as requested by the program and complete all submission steps.
- To complete each step, make sure that you have entered information into all of the required fields and click the "Continue" button to save your work.
- Abstracts that do not adhere to the submission policy will not be confirmed as complete by the system. Only completed abstracts will be considered.
- When you have completed your work, click on the "review my work" link to verify that your submission is complete and appears the way you want to submit it.
- If requested, the Oasis Abstract System will send you a confirmation email once your submission is complete. Notification of acceptance will be mailed by June 30, 2009.

#### REQUIRED ABSTRACT FORMAT AND STYLE GUIDELINES

##### TITLE PAGE

The title should be entered in Title Case and **bolded**. DO NOT use a period at the end of the title.

Example: **This is a Properly Formatted Title**

##### AUTHORS

The system will allow you to designate an author as a Primary Author. As such, this will be the main point of contact for information regarding this submission. Additional authors also may be entered and the system allows you to change the place that authors will appear in listings.

##### AUTHOR POLICY

It is the policy of the Western Vascular Surgical Society that either the primary author or one of the co-authors of each abstract be a member of the WVS. If you or any the co-authors are not members of the Society, a member of the WVS must sponsor your abstract. The WVS will send all correspondence to the member primary author or member sponsor regarding the submission.

**Member Sponsors are required to forward a letter to the Society's Administrative Offices or upload the letter with your on-line abstract submission.**

(Continues on next page)

## ABSTRACTS

When entering your abstract text, do not include title or authors in this text. After you enter the text of your abstract, click the Submit button to save your work. Once the Abstract text is saved, you will be given the opportunity to add a graphic or table to this submission.

**IMPORTANT:** No reference should be made in or on the abstract to the name of the authors or institutions. Failure to follow this guideline will result in the abstract being excluded from Review by the Program Committee.

### REQUIRED ABSTRACT FORMAT AND STYLE GUIDELINES:

Abstracts are limited to 2,000 characters maximum (50 characters minimum) which does not include title and graphics (spaces not counted) and structured as follows.

**Objectives:** A brief statement of the purpose of the study and the current state of research in the field.

**Methods:** The methods of study or experimental approach clearly, but briefly, defined.

**Results:** A summary of the results of the study, including sufficient details to support those conclusions. These may be presented in a brief table.

**Conclusions:** A statement concerning the significance of the work and its possible implications for future research.

- PowerPoint and Excel files cannot be uploaded in the system.
- If you do not maintain within with minimum or maximum character limit, the system will not accept your submission as “complete” and will show your submission as “incomplete” in the list of submitted abstracts.

### ABSTRACT TEXT

- Do not include title or authors within the abstract text.
- Format in boldface type the Objective(s), Methods, Results and Conclusions.
- Do not use footnotes or references.

### Options for entering text in the system:

- Enter your abstract text in the text box or upload a Word or WordPerfect document file directly into the system.

### GRAPICS

Graphics may be uploaded to the system and should be submitted separately from the abstract text. Choose the graphic you wish to upload and then click the Continue button to send your file.

The recommended graphic size, to optimize resolution, is 2 inches wide by 3 inches tall and 300 DPI. Please note the graphic may appear large on screen, however it will be adapted for publication. Supported formats *are limited* to GIF and JPG files.

Once the graphic is saved, the keyword `$$graphic_?$$` will be added to the end of your Abstract body. Afterwards, you may edit your abstract body and type `$$graphic_?$$` anywhere in the body that you wish your graphic to be placed.

### TABLES

Tables are designed right in the system. Some tables that are too large or require too much text may not appear in the abstract correctly.

### PRESENTATION TYPES

You must indicate the presentation type as follows:

- Annual Meeting
- Resident Forum
- Either
